

Canberra Chinese School 2025 Enrolment Information

Canberra Chinese School (CCS) is a high-standard, non-profit community school in Canberra, founded in 2016. We have three campuses: Belconnen, Woden, and Gungahlin. Additionally, we run after-school Chinese programs at Red Hill Primary School on Wednesdays. Our mission is to promote Chinese learning through quality teaching for school-aged children.

The CCS weekend Chinese program is suitable for school-aged children with basic oral communication skills in Mandarin. We focus on teaching Ma Liping (MLP) textbooks, which are highly recognized by Chinese language teaching experts worldwide as the most effective model for teaching heritage children to speak, read and write Chinese. Students will learn 1,000 Chinese characters after four years of instruction with our highly qualified and experienced Chinese teachers. We also offer Spoken Chinese classes to the non-Chinese background students at the Woden and Gungahlin Campuses.

The CCS after-school Chinese program is specially designed for students from both Chinese and non-Chinese backgrounds. Our aim is for students to learn Chinese effectively in a fun and natural environment, progressing through plenty of games and lots of laughter at affordable prices. In addition to Chinese classes, CCS also offers interesting or culture-related hobby classes, such as Art, Chess, Calligraphy, Programming, Yoga and Chinese Folk Dancing.

School fee: Chinese lesson: \$100/term; textbook: \$101/set; Other lessons: \$12 per lesson
